CAMPFIRE GRILL REVIEWS

"...some of the finest cuisine in Utah."

—ROBB REPORT

"Bear Lake's best dining destination."

—SALT LAKE CITY WEEKLY

"The ranch hits the high notes on all fronts... The restaurant they've created, set under a canvas roof and wood accents, would be a standout in any community & is a worthy destination in its own right."

—OUTDOOR SPORTS GUIDE

"Great wood fired pizzas, roasted chicken, ribeyes, salads, etc. Upscale yet reasonable food and beverage in a fabulous glamping resort!"

—SARA B. • TALLAHASSEE, FL • YELP

"The menu was just right...My husband claimed 'this is the best burger I've ever had,' and our son claimed 'this pizza is better than ever.' I greatly enjoyed my cobb salad and a bellini to cool off from the day at the lake. The service was top notch. The location was excellent. The fire pit was a delightful touch to 'glamping'...We will be back!"

—KRISTEN J • BOULDER, CO
TRIPADVISOR

"The restaurant was very good with very fair prices ... we had the pizza and wings and the kids had a great selection from the children menu ... the Staff could not have been more friendly and helpful...they even came out and lit our fire for hot dogs and s'mores camp side..."
